## FPS protects your online transaction security

Item purchased online not delivered, or the item received significantly different from the seller's description? Don't worry, as long as it's an eligible transaction, Buyer Online Protection\* will provide compensation, so you don't have to bear the loss.

- 1 Go to your favorite online stores
- 2 Confirm the store accepts FPS payment
- 3 Just provide email address and password to pay online more securely

The Faster Payment System (FPS) is a payment financial infrastructure launched by the Hong Kong Monetary Authority (HKMA) in 2018 and operated by Hong Kong Interbank Clearing Limited. It implements real-time payments in Hong Kong, providing consumers and merchants with safe, efficient, and convenient retail payment services 24/7. FPS offers a new choice and experience for individuals and businesses to make real-time payments in different currencies (HKD and RMB).
