FPS protects your online transaction security

Item purchased online not delivered, or the item received significantly different from the seller's description? Don't worry, as long as it's an eligible transaction, 'Buyer Online Protection' will provide compensation, so you don't have to bear the loss.

- Go to your favorite online stores
- Confirm the store accepts FPS payment
- Just provide email address and password to pay online more securely

The 'Faster Payment System' (FPS) is a payment financial infrastructure launched by the Hong Kong Monetary Authority (HKMA) in 2018 and operated by Hong Kong Interbank Clearing Limited. It implements real-time payments in Hong Kong, providing consumers and merchants with safe, efficient, and convenient retail payment services 24/7. FPS offers a new choice and experience for individuals and businesses to make real-time payments in different currencies (HKD and RMB).

Secure Payment

FPS can protect your online transactions. If you do not receive the order, or the order received does not match the description, FPS 'Buyer Online Protection' helps you get compensation for eligible items. Subject to terms and conditions bound by:

Here are some examples eligible for Online Protection:

- You received a completely different item
- You ordered two items but only received one
- Item has defects but not very obvious
- You ordered authentic goods but received counterfeit ones

Custom-made Items

Your online custom order didn't arrive? Tell us and let us help. We understand custom items are made to your requirements, often more expensive and take longer to procure than ready-made items. Therefore, we have included eligible custom-made items in the FPS 'Buyer Online Protection' coverage.

Eligibility Requirements

Your online transaction must meet the following conditions to qualify for 'Buyer Online Protection':

- You used FPS to pay for the online transaction
- Must pay the full amount in a single transaction

[Terms and conditions apply](#)

Online transaction payment, secure and protected

From checkout to delivery, comprehensive protection without interruption

Get a refund if there are problems with online items

If the item is not delivered, or does not match the seller's description, you can claim a full refund of the online payment.

No liability for unauthorized payments

If you find unauthorized payment transactions on your account, please report immediately. We will protect your account security and investigate the incident.

Dispute Resolution Support

If there is a problem with your online transaction, or you notice suspicious account activity, suspected identity theft, phishing and other issues, please report to us.

With FPS as a strong back shield, you can trade online with confidence and plan my perfect life

- Felix Ong

FPS Checkout is Safer

Millions of online stores worldwide accept FPS payment, shop safely at your favorite online stores.

(B) After Login

B1 My Account Menu

The screenshot shows the FPS Mobile Banking interface after login. The top navigation bar includes links for Home, My Account, Bank Account Details, and Customer Service, along with the FPS logo and a language dropdown set to English. The main content area features a large banner with the text 'Hello, sammy Welcome to FPS - Mobile Banking' and a background image of hands holding a smartphone displaying the '轉數快' (FPS) logo. Below the banner are two primary action buttons: 'Wallet' and 'Withdraw'. A list of account management options follows, each with a right-pointing arrow: Real-name Verification, Withdrawal Records, Bank Information, Collection Order, Password Management, User Info, About Us, and Logout. At the bottom, a small consumer alert states: 'Consumer Alert - Hong Kong Interbank Clearing Limited is a licensed Stored Value Facility issuer regulated by the Hong Kong Monetary Authority, License Number: SDP1402. Users in the Hong Kong SAR are advised to read the terms and conditions carefully before use.'

B2 Change password

The screenshot displays the 'Change Password' screen in the FPS Mobile Banking app. The top navigation bar is identical to the previous screen. A blue informational banner at the top reads: 'For your account security, it is recommended to change your password regularly. Do not set a password that is too simple.' The main form area contains three password input fields: 'Original Password' (with placeholder text 'Please enter original password'), 'New Password' (with placeholder text 'Please enter new password'), and 'Confirm New Password' (with placeholder text 'Please enter new password again'). At the bottom of the form are two buttons: a grey 'Back' button and a blue 'Change Password' button. A small FPS logo is visible in the bottom right corner of the screen.

About HKICL

Hong Kong Interbank Clearing Limited

Hong Kong Interbank Clearing Limited (HKICL) is a private company jointly owned by the Hong Kong Monetary Authority (HKMA) and the Hong Kong Association of Banks (HKAB). HKICL was established in May 1995 and took over the clearing function from the former Management Bank of the Clearing House, The Hongkong and Shanghai Banking Corporation Limited, in phases. The takeover process was completed in April 1997.

HKICL provides interbank clearing and settlement services to all banks in Hong Kong and operates the Central Moneymarkets Unit for the clearing and settlement of public and private debt securities on behalf of the HKMA.

Hong Kong Interbank Clearing Services Limited

Hong Kong Interbank Clearing Services Limited (HKICL Services) is a wholly-owned subsidiary of HKICL. Established in 2004, HKICL Services provides value-added services such as IT operation and other interbank clearing related products to the banking and financial industry in Hong Kong. Its main customers are banks, credit reference agencies, financial market infrastructures, and regulators.

Hong Kong Interbank Clearing Technology Solutions Limited

Hong Kong Interbank Clearing Technology Solutions Limited (HKICL TS) was established in 2022 as a wholly-owned subsidiary of HKICL. HKICL TS utilizes fintech to develop non-traditional payment service projects and acts as the holding company for all fintech-related subsidiaries within the Group.

Credit Reference Platform Limited

Credit Reference Platform Limited was established in 2022 as a wholly-owned subsidiary of HKICL TS. Credit Reference Platform Limited builds and operates the Credit Reference Platform for the financial industry in Hong Kong using distributed ledger technology under a utility model.
