Notification of Fraudulent Websites

Hong Kong Interbank Clearing Limited (HKICL) would like to alert its members and the public to the following two types of fraudulent websites purported to be from HKICL:

Type 1:

- fpshkpay.life

This fraudulent website imitates as “Buyer Online Protection” to provide services including 1) refund to buyer, 2) unauthorised online transaction reporting, and 3) online transaction support, for online transaction over FPS payment.

Type 2:

- hkmerchant.wiki

In addition to the above functions of the Type 1 fraudulent website, it intends to trick user into giving away personal document number and ID photo together with phone number for real name verification in order to get cash reward. In addition, it also tricks user into providing bank name, bank account number and bank account holder’s name to top up and withdraw money from its platform’s virtual wallet. Further, it directs user to a WhatsApp chat with the fraudster impersonating as customer service personnel.

Please be reminded that Type 1 and Type 2 fraudulent websites may have multiple combinations at the end of the link, e.g.:

- fpshkpay.life/?link=qnAOHm5gfSjBF3Qw
- hkmerchant.wiki/registered/?uuid=refund
