These Clearing House Rules and the Operating Procedures are binding on the Members. No entity may use a clearing code which is allocated to another entity. Common branch codes may be allocated to different entities and no entity may use a branch code except in conjunction with its clearing code or one of its clearing codes. All such rights as may subsist in the clearing and branch codes are owned by HKICL, and such codes may be used by it for all purposes connected with or incidental to its businesses.

4.4 Outsourcing by Members

Members may outsource any of their systems required for the purpose of participation in the Clearing House. In so doing Members shall exercise reasonable skill and care in choosing the outsourcing party. Each of MA and HKICL is authorised to deal with any such outsourcing party notified to it as being authorised to act on such Member's behalf provided that the Member shall be responsible for all acts, omissions, neglects or defaults of its outsourcing party and such Member appointing an outsourcing party will indemnify and hold each of MA and HKICL harmless against all actions, proceedings, costs, claims, demands, liabilities, losses and expenses whatsoever and howsoever arising out of or incurred by MA or HKICL as a result of the acts, omissions, neglects or defaults of its outsourcing party or arising out of or incurred by MA or HKICL by virtue of any dealings by MA or HKICL with an outsourcing party of a Member which it would not have incurred if MA or HKICL had dealt with that Member directly. This rule shall not apply to the production of images of Paper Cheques by HKICL for Group B Members in

accordance with the Operating Procedures.

- 5.5 For the avoidance of doubt, these Rules are subject to the provisions of section 89 of the FIRO. Accordingly nothing in this Rule 5 shall be construed to require or entitle HKICL (or MA) to suspend Clearing Facilities to a Member or to trigger any default event provision under these Rules in relation to a Member by reason solely of:
- (a) the taking of any crisis prevention measure in relation to the Member or a group company of the Member;
 - (b) the occurrence of an event directly linked to the taking of any crisis prevention measure referred to in paragraph (a) of this Rule 5.5; or

- 5.6 In the event of any refusal or suspension of Clearing Facilities affecting a Member or if the clearing of any GD Cheque has been refused or suspended, HKICL shall, as soon as practicable thereafter, notify all other Members by a broadcast in the manner provided in the Operating Procedures, and shall notify JETCO, Credit Card Companies, HKSCC, HKCC, SEOCH, OTC Clear and the relevant GD Settlement Centre in a manner separately agreed with them and thereafter such other Members, JETCO, Credit Card Companies, HKSCC, HKCC, SEOCH, OTC Clear and the relevant GD Settlement Centre shall not deliver to HKICL any Articles payable by or to, or initiate any other CHATS Transactions involving, the Member for which Clearing Facilities are refused or suspended while such refusal or suspension shall continue in effect (or deliver to HKICL any relevant GD Cheque, if the Member in question is a GD Agent, or any GD Cheque relating to a GD Bank in the case of default by that GD Bank).
- 5.7 For the avoidance of doubt, in the event of any refusal or suspension of Clearing Facilities in accordance with Rule 5.1, 5.2 or 5.3, the e-Cheque Presentment Service being part of the Clearing Facilities is entitled to not accept any e-Cheques drawn on or payable into an account operated by the Member for which Clearing Facilities are refused or suspended while such refusal or suspension shall continue in effect.

- 5.8 If it appears that part or all of the Clearing Facilities are inoperable, HKICL may at any time after consultation with MA, declare by notice in writing to all Members, JETCO, Credit Card Companies, HKSCC, HKCC, SEOCH, OTC Clear and the relevant GD Settlement Centre in respect of clearing and settlement of e-Cheques, that all or part of the Clearing Facilities will be suspended for the Working Day on which the notice is given and shall provide information as to which of the Clearing Facilities will be available. Any such notice from HKICL in relation to the inoperability of an e-Cheque Presentment Service may be published on any website, mobile application or on any other system on which an e-Cheque Presentment Service is made available.
- 5.9 At the end of each Non-Clearing Day, HKICL will consult with MA with a view to determining whether and the extent to which Clearing Facilities will be resumed for the following Working Day. After such consultation HKICL will give notice in writing to all Members, JETCO, Credit Card Companies, HKSCC, HKCC, SEOCH, OTC Clear and the relevant GD Settlement Centre in respect of clearing and settlement of e-Cheques, as to which of the Clearing Facilities will be available on the next Working Day. - 5.11 During a Non-Clearing Day, the Clearing Facilities that are operable shall be operated in accordance with the Operating Procedures and any other circulars issued by HKICL dealing with the operation of the Clearing Facilities during periods of suspension.
- 5.12 The resumption of normal operation of the Clearing Facilities shall be in accordance with the Operating Procedures.
- 5.13 Neither MA nor HKICL shall owe any duty or incur any liability to (i) any Member (including HKSCC, HKCC or SEOCH), (ii) any Non-bank Card Member, (iii) any correspondent bank of a Service Provider, (iv) any customer of a Member (including trustees of MPF Schemes), (v) any customer or participant or nominated agent bank of HKSCC, HKCC or SEOCH, (vi) any e-Cheque Drop Box User, (vii) any GD e-Cheque Platform User, or (viii) any other person whatsoever (each a "Relevant Party") by the giving of any notice or advice pursuant to or purporting to be given pursuant to this Rule 5 and/or the Default Arrangement and/or Part IV of Schedule III and/or Part V of Schedule III and/or Part VI of Schedule III or by the failure to give or any delay in giving any such notice or advice. HKICL shall incur no liability to any Relevant Party as defined in this Rule for the consequences of acting on the Default Arrangement, these Clearing House Rules or the Operating Procedures or any such notice or advice given or purportedly given to it pursuant to this Rule 5 and/or Part IV of Schedule III and/or Part V of Schedule III and/or Part VI of Schedule III. Each Member hereby agrees to indemnify and hold each of MA and HKICL harmless against all actions, proceedings, costs, claims, demands, liabilities, losses and expenses whatsoever and howsoever arising out of or in connection with any of the matters referred to in this Rule, or incurred by either MA or HKICL to the Non-bank Card Member of that Member, or to any of the correspondent banks of that Member if it is a Service Provider, or to any customer or participant or nominated agent bank of that Member if it is HKSCC, HKCC or SEOCH, in each case in their capacities as such.

- 6.1.4 The provisions of this part relating to CHATS Transactions effected by way of Special Posting or End of Day Net Settlement shall be subject to the provisions of Rules 6.11 and 6.12 respectively.

6.2 MBT and SWIFT network

- 6.2.1 Each Member (except CLS Bank) connecting its terminal to the Clearing House Computer through the eMBT (via the SWIFT network) is required to also be able to connect to the Clearing House Computer through the iMBT (via the HKICL network and/or internet) as a contingency in case it is unable to connect to the eMBT through the SWIFT network.
- 6.2.2 Each Member (except CLS Bank) shall at its own cost install and maintain in good order a terminal which can access the MBT as prescribed or approved by HKICL from time to time. Use of the terminal which can access the MBT shall be restricted to that Member's authorised personnel who use passwords or other systems to ensure only authorised personnel of that Member may access the MBT. HKICL is authorised to rely and act on instructions using such passwords or systems. Members shall be liable for all consequences of misuse of such passwords or other systems.
- 6.2.3 Each Member (except CLS Bank) must connect its terminal to the MBT in order to connect to the Clearing House Computer. A terminal must be a computer or intelligent terminal device (i) which (in the case of the eMBT) is installed with software provided by SWIFT and which can access the eMBT in order to connect to the Clearing House Computer via the SWIFT network, or (ii) which (in the case of the iMBT) can access the iMBT in order to connect to the Clearing House Computer via the HKICL network and/or internet, as the case may be. The connection must undergo formal verification and connection tests with final approval being at the discretion of HKICL. All telecommunications charges or charges levied by SWIFT relating to the connection shall be borne by the relevant Member.

- 6.2.6 All software, data, specifications and similar intellectual property comprised within the MBT are owned by, or licensed to, HKICL and may not be copied, downloaded, distributed or published in any way without the prior written consent of HKICL. Members may utilise such proprietary information of HKICL solely for the purposes of performing administrative functions relating to CHATS Transactions (other than initiating/receiving payment instructions) or submitting instructions relating to Special Posting transactions as stipulated in the Operating Procedures, and in accordance with the Clearing House Rules.
- 6.2.7 HKICL provides access to the MBT on an “as is” basis, and save as provided in these Rules, makes no representation as to, and does not warrant, the accuracy or completeness of the MBT or data derived from its use (including for the avoidance of doubt accuracy or completeness of any information in any fraud detection or other tools provided by HKICL to Members via the MBT separate from the clearing and settlement functions provided by HKICL pursuant to these Rules). HKICL gives no warranties, express, implied or statutory, of any kind, including without limitation as to the merchantability, fitness for a particular purpose, title, non-infringement of third party rights or freedom from viruses, worms, trojan horses or other contaminating programming or code relating to the use of the MBT, except to the extent the same cannot be excluded or limited at law or as otherwise given in these Rules.
- 6.2.8 To the fullest extent permitted by law (and subject only to the provisions of Rule 2.3 of the Clearing House Rules), each of HKICL and MA shall not be liable for, and expressly excludes any such liability for, any direct, indirect, consequential, special or incidental damage, loss or expense, whether caused by negligence or otherwise, which arises directly or indirectly as a consequence of the use of (or inability to use) the MBT, whether or not HKICL or MA has been notified of the possibility of such damage, loss or expense.
- 6.2.9 [This provision has been left blank intentionally]

6.3 Settlement of CHATS Transactions other than those in respect of Articles

6.3.1 CHATS Payment Instruction Value Today

6.3.1.1 A CHATS Payment Instruction Value Today will not be effected or settled through CHATS unless the available balance in the Sending Member’s CHATS Ledger Account for the time being is sufficient to make the payment referred to in such payment instruction. In case the available balance in the relevant Sending Member’s CHATS Ledger Account is insufficient to make such payment, the relevant CHATS Payment Instruction Value Today, unless subsequently cancelled, will remain in the Normal Queue until either:

- (a) such time as the available balance is sufficient to meet such payment instruction when it is first in priority in the Normal Queue, and in such case, the CHATS Payment Instruction Value Today will be effected automatically; or
- (b) the CHATS Value Date Cut-off and in such case, the CHATS Payment Instruction Value Today will be cancelled automatically.

This provision shall not apply to CHATS Payment Instructions Value Today in the Pending Queue.

6.3.15.5 In the event that an OTC Clear Payment Instruction is cancelled by the paying Member or by the system in accordance with the Operating Procedures, MA and HKICL are not responsible and not liable to OTC Clear or the paying Member concerned for such cancellation and any claim, loss, damage, expense or other consequences directly or indirectly resulting from the cancellation.

6.3.16 BOJ DvP Payment Instructions

6.3.16.1 After CHATS Commencement, a BOJ DvP Payment Instruction may be input only by a Member at any time between the BOJ DvP Processing Window Open and the BOJ DvP Payment Cut-off on a Working Day and shall be for a funds transfer through CHATS for value as of that Working Day. For the avoidance of doubt, BOJ DvP Payment Instructions input before CHATS Commencement will be rejected by CHATS.

6.3.16.2 As from a BOJ DvP Processing Window Open until the following BOJ DvP Payment Cut-off, a BOJ DvP Payment Instruction which has been validated by CHATS and BOJ-NET JGB Services will be put in the Normal Queue or the Pending Queue as requested by the Sending Member, and will be pending for funds to be held. If the available balance in the Sending Member's CHATS Ledger Account is sufficient to settle the BOJ DvP Payment Instruction when it is first in priority in the Normal Queue, a hold up to the transaction amount will thereupon be applied to the Sending Member's CHATS Ledger Account.

6.3.16.3 Within the BOJ DvP Processing Window of the Working Day, if BOJ-NET JGB Services confirm that the corresponding security transaction will be settled at the same time, the Held Funds will be released to the Receiving Member by debiting the Sending Member's CHATS Ledger Account and crediting the Receiving Member's CHATS Ledger Account by MA pursuant to Rule 3.1.3. If before the BOJ DvP Processing Window Close BOJ-NET JGB Services notify CHATS that the corresponding security transaction will not be settled, the Held Funds will be released to the Sending Member. At the BOJ DvP Payment Cut-off of the Working Day, all BOJ DvP Payment Instructions in relation to which funds are not held will be cancelled.

6.3.16.4 A BOJ DvP Payment Instruction cannot be cancelled by a Member after validation by CHATS and BOJ-NET JGB Services.

6.3.16.5 Save as provided for in the Operating Procedures in relation to the CMU Optimiser

Run, the Member may re-sequence a BOJ DvP Payment Instruction or transfer such instructions from the Normal Queue to the Pending Queue or vice versa, via MBT. For the avoidance of doubt, a BOJ DvP Payment Instruction for which funds have been held in accordance with Rule 6.3.16.2 above cannot be re-sequenced.

6.3.16.6 At the BOJ DvP Processing Window Close, all BOJ DvP Payment Instructions in relation to which funds are held but are not settled will be cancelled, and Held Funds will be released to the Sending Member.

6.3.16.7 Each Member agrees with MA and HKICL that:

- (a) MA and HKICL shall not be held liable for verifying the correctness, origin or integrity of the contents of any BOJ DvP Payment Instruction which involves a DvP linkage between the Clearing House Computer and BOJ-NET JGB Services (“BOJ-NET Linkage”);
- (b) in respect of a BOJ DvP Payment Instruction, the provisions of these Rules shall govern that part of the BOJ-NET Linkage which is operated by HKICL, and the BOJ-NET JGB Services Rules shall govern that part of BOJ-NET Linkage which is operated by the BOJ. Each Member acknowledges that these Rules and the BOJ-NET JGB Services Rules may be amended in accordance with these Rules and the BOJ-NET JGB Services Rules respectively from time to time;
- (c) MA and HKICL shall not owe any duty or incur any liability to any Member, or the customers of such Member or any other person who uses the BOJ-NET Linkage through such Member in respect of any claim, loss, damage or expense (including without limitation, loss of business, loss of business opportunity, loss of profit, special, indirect or consequential loss, even if the MA and HKICL knew or ought reasonably to have known of their possible existence) of any kind or nature whatsoever arising in whatever manner directly or indirectly out of or in connection with the BOJ-NET Linkage, the contents of messages input into the BOJ-NET Linkage, the use of the BOJ-NET Linkage, the operation or malfunction of computer systems, equipment (including without limitation, the host system and the front-end computer programs), software (including without limitation, BOJ-NET JGB Services) or hardware used in respect of the BOJ-NET Linkage, the processing of Held Funds in emergencies or otherwise, the provision of DvP settlement service for any security transactions under the BOJ-NET Linkage, or as a result of the giving of any consent, notice, instruction, advice or approval in relation or pursuant to these Rules by MA or HKICL;
- (d) in respect of a BOJ DvP Payment Instruction which involves the BOJ-NET Linkage, the law relating to finality of settlement (if any) which applies to BOJ-NET JGB Services may be different from the finality of settlement provisions provided in the PSSVFO and the PSSVFO does not apply to BOJ-NET JGB Services; MA and HKICL shall incur no liability to any Member or the customers of such Member or any other person who uses the BOJ-NET Linkage through such Member in respect of any claim, loss, damage or expense (including without limitation, loss of business, loss of business opportunity, loss of profit, special, direct or consequential loss, even if the MA and HKICL knew or ought reasonably to have known of their possible existence) of any kind or nature whatsoever arising in whatever manner directly or indirectly out of or in connection with any difference between the law relating to finality of settlement (if any) of the jurisdiction of Japan and of Hong Kong;
- (e) MA and HKICL shall not be liable for any claim, loss, damage or expense arising in whatever manner directly or indirectly out of or in connection with any defect in title in relation to any securities transferred to a Member or the customers of such Member or any other person who uses the BOJ-NET Linkage through such Member; and

- (f) each Member shall procure that the customers of such Member and any other person who uses the BOJ-NET Linkage through its participation in such BOJ-NET Linkage agree to the foregoing.

6.4 Input Transactions

CHATS Transactions (other than CHATS Transactions in respect of Articles) may only be input by Members addressed to themselves, other Members, MA or the Clearing House Computer or by virtue of a Special Posting or End of Day Net Settlement.

- 6.6.2 A return of a CHATS Transaction (other than a CHATS Transaction in respect of Articles) may only be initiated by the Receiving Member of the transfer. If a Receiving Member is unable to apply funds from a credit transfer for any reason, then that Receiving Member must send the funds actually received through CHATS back to the original Sending Member in accordance with the procedure set out in Rule 6.6.1.

If the transfer is returned to the Sending Member after the

CHATS Customer Cut-off for CHATS Transactions which are customer related and CHATS Bank Cut-off for CHATS Transactions which are not customer related in each case immediately following the input of the transfer then any loss of interest is for the account of the Sending Member subject to Rules 6.7.8 and 6.7.9;

In the event that the relevant GTRS or BOJ-NET JGB Services cannot confirm that the corresponding security transactions will be settled, Held Funds will be released to the Sending Member at a time pre-defined by MA as stipulated in Operating Procedures. Any obligation of MA to hold any funds shall be discharged thereupon notwithstanding anything provided in Rules 6.3.14 and 6.3.16.

- 6.9.2 If following an emergency HKSCC requires to roll back the data for system recovery all CCASS Payment Instructions in the Normal Queue and the Pending Queue will be cancelled in accordance with the Operating Procedures.

- (a) it will be responsible for the correctness of the contents in the message file; and
- (b) it will indemnify HKICL and MA against all liabilities and expenses incurred by either of them arising out of or as a result of any error in instructions or discrepancy between such information and the original instruction.

6.9.4.4 CLS Bank shall be responsible for the proper functioning of the CBCA and shall ensure that all messages generated pursuant to this Rule will comply with the relevant requirements as set out in the Operating Procedures.

6.9.4.5 For the avoidance of doubt, this Rule shall not apply in the event that End of Day Net Settlement is triggered under Rule 6.12.3.

6.10 Receiving Members

It is the Sending Member's responsibility (or in relation to an OTC Clear Payment Instruction, the responsibility of the paying Member of the OTC Clear Payment Instruction) to ensure that there are sufficient funds in its CHATS Ledger Account for settlement of Special Posting transactions. Any Special Posting transactions not settled by the cut-off times for the respective payment instructions on the day of the request for Special Posting will be cancelled.

6.11.3.1 Any Special Posting transaction which passes validation criteria will be treated as a normal payment instruction and processed in the same way and manner as the payment instruction from which it originated.

6.11.4.3 For the avoidance of doubt, this Rule 6.11.4 does not apply to paying Members in relation to the OTC Clear Payment Instructions.

6.12 End of Day Net Settlement

This contingency measure will only be invoked when all of the conditions stipulated in the Operating

Procedures are fulfilled. The measure will be operated in accordance with the Operating Procedures and the Operating Procedures will provide for the resumption of normal procedures. In the event that End of Day Net Settlement is triggered, all queued payments that are yet to be settled will be cancelled.

However, in the case of default by one or more GD Banks, only the GD Cheques relating to such GD Bank(s) will be excluded from the End of Day Net Settlement run.
- 6.12.4.4 If a Member is in default, (i) its name will be identified and announced and (ii) the defaulted End of Day Net Settlement run will be unwound and there will be a settlement excluding the Member in default. This Rule 6.12.4.4 does not apply to HKSCC, HKCC and SEOCH.

Selected Payments which are excluded from the RTGS Liquidity Optimiser will be placed back to the Normal Queue.

6.13.5 CHATS Transactions (other than CHATS Transactions in respect of Articles) received by Clearing House Computer after commencement of the RTGS Liquidity Optimiser process will not be processed as part of that process and will be placed at the end of the Normal Queue and processed in due course in accordance with these Rules provided that Direct Debit Instructions will be placed at the top of the Normal Queue.

6.14 Interbank Intraday Liquidity Facility

The IILF shall be made available through CHATS between the CHATS Commencement and CHATS Value Date Cut-off by Liquidity Providers to Liquidity Consumers in accordance with this Rule.

- 6.14.1 Liquidity Providers shall indicate their willingness to participate in the IILF by registering with HKICL. Liquidity Providers shall also on behalf of the Liquidity Consumers with whom they have agreed to provide liquidity through IILF register those Liquidity Consumers with HKICL indicating their Liquidity Consumers' desire to obtain liquidity from the Liquidity Providers under the IILF. Liquidity Consumers may only obtain liquidity through IILF from one Liquidity Provider and:
 - (a) prior to registration Liquidity Providers and Liquidity Consumers shall separately agree among themselves on a bilateral basis the terms on which liquidity through IILF is provided including the intra-day and overnight interest rates;
 - (b) after registration, the relevant Liquidity Provider shall maintain in the records of HKICL via the MBT:
 - (i) the limit of the IILF for the time being assigned by it to each Liquidity Consumer, which limit may be amended by the Liquidity Provider via the MBT at any time without prior notice to HKICL or the Liquidity Consumer;
 - (ii) the priority arrangement by it to each Liquidity Consumer in the event that it has more than one Liquidity Consumer and provision of liquidity is triggered by more than one Liquidity Consumer at the same time and all such requests cannot be met in full; and
 - (iii) the intra-day and overnight interest rates agreed with each Liquidity Consumer.
 - (c) HKICL shall publicise on the members' section of its website the names and contact details of registered Liquidity Providers.
- 6.14.2 The provision of liquidity through IILF process is triggered automatically during the RTGS Liquidity Optimiser process.
- 6.14.3 If a Liquidity Provider is a Selected Payment Member in the RTGS Liquidity Optimiser process, the provision of liquidity through IILF by such Liquidity Provider will not be triggered in that process.
- 6.14.4 If a Liquidity Provider is not a Selected Payment Member in the RTGS Liquidity Optimiser process and a Liquidity Consumer to which the Liquidity Provider has agreed to provide liquidity through IILF is a Selected Payment Member in the RTGS Liquidity Optimiser process,

the projected balance as stipulated in Rule 6.13.2 shall take into account the available IILF limit specified in Rule 6.14.1(b)(i) to the extent required to make the projected balance of the Liquidity Consumer positive or zero. Should the IILF be taken into account to the extent required to make the projected balance of a Liquidity Consumer positive or zero as provided in the previous sentence, there shall be a deemed request for the provision of liquidity through IILF by the Liquidity Consumer in that amount from the Liquidity Provider to the Liquidity Consumer. The ultimate liquidity drawn by Liquidity Consumer out of the available IILF limit and the detailed arrangements are stipulated in the Operating Procedures.

- 6.14.5 If more than one Liquidity Consumer are deemed to make a request pursuant to Rule 6.14.4 from the same Liquidity Provider, and such Liquidity Provider does not have sufficient funds to fulfil the requests of all such Liquidity Consumers, the available amounts under the IILF from that Liquidity Provider will be allocated to each Liquidity Consumer according to the priority specified by the Liquidity Provider in Rule 6.14.1(b)(ii).
- 6.14.6 The lending under the IILF is effected through the settlement of a CHATS Payment Instruction Value Today with a designated payment code indicating that it is a payment of principal under the IILF (“IILF Payment Instruction”) generated by HKICL to debit the Liquidity Provider’s CHATS Ledger Account and credit the Liquidity Consumer’s CHATS Ledger Account.
- 6.14.7 Liquidity provision through IILF by a Liquidity Provider to one or more of its Liquidity Consumers may also be triggered manually by such Liquidity Provider inputting an IILF Payment Instruction.
- 6.14.8 For each settled IILF Payment Instruction, the Liquidity Consumer shall be under an obligation to repay the Liquidity Provider the amount of the IILF Payment Instruction (i.e. principal) and an intra-day interest calculated based on the IILF Payment Instruction. The intra-day interest rate is assigned by the Liquidity Provider to each of its Liquidity Consumer(s) by separate agreement and maintained by the Liquidity Provider in the records of HKICL via the MBT under Rule 6.14.1(b)(iii).
- 6.14.9 The total outstanding IILF repayable amount of a Liquidity Consumer in respect of each Working Day includes:
- (a) the amount of all settled IILF Payment Instruction(s) of the current day not yet repaid by the Liquidity Consumer; and
 - (b) intra-day interest of the current day not yet paid by the Liquidity Consumer for which the calculation of such interest is stipulated in the Operating Procedures.
- 6.14.10 If there is any outstanding IILF repayable amount of a Liquidity Consumer as defined in Rule 6.14.9, the repayment process for the Liquidity Consumer will be triggered automatically by HKICL according to the scheduled repayment time on each Working Day determined by MA and subject to change from time to time. CHATS Payment Instructions Value Today with different designated payment codes indicating they are either repayments of outstanding IILF Payment Instructions or payments of outstanding intra-day interest under the IILF (collectively known as “IILF Repayment Instructions”) will be generated by HKICL to debit the Liquidity Consumer’s CHATS Ledger Account and credit the Liquidity Provider’s CHATS Ledger Account to repay outstanding (i) IILF Payment Instruction (i.e. principal); and (ii) intra-day interest separately.
- 6.14.11 An IILF Repayment Instruction may also be triggered manually by a Liquidity Consumer to its Liquidity Provider by the Liquidity Consumer inputting such an instruction.
- 6.14.12 If the Liquidity Consumer has insufficient funds to meet the total outstanding IILF repayable amount, the IILF Repayment Instructions will still be generated by HKICL to partially repay the outstanding IILF repayable amount. The detailed arrangements are stipulated in the Operating Procedures.

6.14.13 If there is any outstanding IILF Payment Instruction of Liquidity Consumer after CHATS Value Date Cut-off, an overnight interest assigned by the Liquidity Provider to the Liquidity Consumer and maintained by the Liquidity Provider in the records of HKICL via the MBT under Rule 6.14.1(b)(iii) shall apply. HKICL shall then calculate the overnight interest according to the formula stipulated in the Operating Procedures and provide such information to the Liquidity Provider and Liquidity Consumer. However, the overnight interest, together with the outstanding IILF repayable amount, shall be settled outside of the CHATS after CHATS Value Date Cut-off between the Liquidity Provider and Liquidity Consumer, and MA and HKICL shall have no further involvement.

A. General

1. If the available balance in the CHATS Ledger Account of a Member other than HKSCC is insufficient to meet its Bulk Clearing Commitment at the Final Cut-off time of a Bulk Clearing Settlement Run, the Member shall be deemed to have defaulted in the Bulk Clearing Settlement Run concerned and the Default Arrangement set out in Schedule I shall apply. If the available balance in the CHATS Ledger Account of HKSCC is insufficient to meet its Bulk Clearing Commitment at the Final Cut-off time of a Bulk Clearing Settlement Run, the Bulk Clearing Settlement Run will be cancelled pursuant to paragraphs D.11 and D.12 of Schedule III Part III.
2. Bulk Clearing Settlement Runs will be completed at specified times during the day as provided in these Clearing House Rules and the principle of “all or none” shall apply to each of the Bulk Clearing Settlement Runs. If a Member other than HKSCC is in default of its Bulk Clearing Commitment, (i) its name will be identified and announced and (ii) the defaulted Bulk Clearing Settlement Run concerned will be unwound and there will be a Re-settlement excluding the Member in default subject to and in accordance with the provisions of the Default Arrangement.
3. The Settlement Amount of each Member for a particular Bulk Clearing Settlement Run will be made available to that Member from the Clearing House Computer through the MBT upon completion of Bulk Clearing Settlement Run or return processing of relevant Articles as the case may be. The details of notification arrangements are stipulated in the Operating Procedures.
4. The clearing items of the following respective Bulk Clearing Settlement Runs will be separately merged:

 - (b) the Bulk Clearing Settlement Runs for Autodebits and Returned Articles of E-bill Payments.
 - (c) the Bulk Clearing Settlement Runs for SEPS Items, E-bill Payments and Autocredits for settlement in the evening.

Members will be given only one aggregated Settlement Amount for the Bulk Clearing Settlement Runs merged but a break-down for each of the merged Bulk Clearing Settlement Runs will also be given for the relevant Member’s reference. The merged Bulk Clearing Settlement Runs will not be split in the event of default. However, if there are problems of a technical or operational nature preventing one of the merged Bulk Clearing Settlement Runs from being completed, HKICL shall be entitled to exercise the management discretion to split the said Bulk Clearing Settlement Runs with appropriate notification to the Members.

5. If there are payments in the Normal Queue, the payment of the Settlement Amount in respect of a Bulk Clearing Settlement Run and the payment of any amounts in respect of CCASS Optimiser Payment Instructions, SCCASS Optimiser Payment Instructions, CHATS Optimiser Payment Instructions and CCPO Instructions scheduled to be settled simultaneously with a Bulk Clearing Settlement Run will have priority over the other CHATS Payment Instructions Value Today, OTC Clear Payment Instructions Value Today, CCP Instructions Value Today, CLS Payment Instructions Value Today, CCASS Payment Instructions and Direct Debit Instructions Value Today in the Normal Queue.
6. The above provisions apply to GD Cheques, except that the “all or none” principle applies, in the case of default by one or more GD Banks, only to exclude the GD Cheques relating to such GD Bank(s). In relation to GD Cheques, references to the Member are references to the relevant GD Agent.

The Clearing House Computer will place a Settlement Hold for the debit Settlement Amount of a Member as from the commencement of the Settlement Process of each Bulk Clearing Settlement Run and if all Members with debit Settlement Amounts have sufficient available funds in their CHATS Ledger Accounts, such Settlement Amounts will be automatically debited and the relevant credit Settlement Amounts will be automatically credited to all relevant CHATS Ledger Accounts, and the settlement will immediately be deemed to be effected and completed notwithstanding that the Final Cut-off time for the Bulk Clearing Settlement Run concerned has not yet arrived. Details of the Settlement Process are set

out in the Default Arrangement, except in relation to JETCO Items, SJET Items, Credit Card Items and OTC Items where the details are set out in Part IV, Part V and Part VI below. For the avoidance of doubt, the Settlement Holds are only applicable up to the debit Settlement Amount of the Member concerned and a Settlement Hold will not affect the utilization of funds in the CHATS Ledger Account which exceeds the debit Settlement Amount relating to the Bulk Clearing Settlement Run for which the Settlement Process has commenced.

Part IV Settlement of JETCO Items and SJET Items

1. JETCO Items and SJET Items (containing only instructions to credit or debit net settlement amounts to the CHATS Ledger Accounts of JETCO Members) will be submitted by JETCO to the Clearing House on Day D before the cut-off time provided in Part I above and will be acted on by HKICL.
2. Inter-Member settlement for JETCO Items and SJET Items will be effected in accordance with the timetable set out in Part II above. The Settlement Amount of each JETCO Member for a particular Bulk Clearing Settlement Run of JETCO Items and SJET Items will be made available from the Clearing House Computer to JETCO Members through the MBT upon successful capture of the settlement file.
3. The Clearing House Computer will place a Settlement Hold for the debit Settlement Amount of a JETCO Member as from the commencement of the Settlement Process of each Bulk Clearing Settlement Run of JETCO Items and SJET Items and if all JETCO Members with debit Settlement Amounts have sufficient available funds in their CHATS Ledger Accounts, such Settlement Amounts will be automatically debited and the relevant credit Settlement Amounts will be automatically credited to all relevant CHATS Ledger Accounts, and the settlement will immediately be deemed to be effected and completed notwithstanding that the Final Cut-off time for the Bulk Clearing Settlement Run concerned has not yet arrived.
4. The principle of "all or none" shall apply to each Bulk Clearing Settlement Run of JETCO Items and SJET Items. If the available balance in the CHATS Ledger Account of a JETCO Member is insufficient to meet its Bulk Clearing Commitment at the Final Cut-off time of a Bulk Clearing Settlement Run for JETCO Items or SJET Items, as the case may be, the JETCO Member shall be deemed to have defaulted in the Bulk Clearing Settlement Run concerned, and the following provisions shall apply:
 - (a) HKICL will directly inform JETCO and the Member (as notified by JETCO to HKICL in writing from time to time) which is for the time being the chairman of JETCO's board of directors of the default identifying the JETCO Member in default;
 - (b) HKICL shall not debit or credit the CHATS Ledger Account of any JETCO Member in respect of the Bulk Clearing Settlement Run of the JETCO Items or SJET Items in default, but shall maintain Settlement Holds on all JETCO Members (including so much as is available in the CHATS Ledger Account of the JETCO Member in default) in respect of that Bulk Clearing Settlement Run until such Settlement Holds are replaced by Settlement Holds in respect of the settlement pursuant to paragraph (c) below;
 - (c) if the default occurs on any Working Day,
for JETCO Items
 - (i) JETCO shall deliver to the Clearing House instructions to credit or debit net settlement amounts, after excluding all transactions relating to the JETCO Member in default, in respect of the Bulk Clearing Settlement Run in default, at least 30 minutes before the commencement of the settlement pursuant to (ii) below;
 - (ii) following receipt of the new net settlement instructions pursuant to (i) above, HKICL will replace the Settlement Hold made pursuant to paragraph 3 with a new Settlement Hold excluding JETCO Items of the JETCO Member in default and shall undertake a Bulk Clearing Settlement Run based on such new instructions on the same day;
 - (iii) if for any reason a Bulk Clearing Settlement Run based on such new instructions cannot be undertaken or completed in accordance with (ii) above, JETCO shall merge the transactions covered by such new instructions into the next Working Day's JETCO Items and provide to HKICL, as the next Working Day's JETCO Items, payment instructions containing the net settlement amounts for both sets of JETCO transactions; if a settlement is not successfully undertaken or completed in accordance with (ii) above, the Settlement Holds in respect of that settlement will only be released at the

time of the End of Day Cut-off on the day on which the default occurred or, if earlier, at the time of commencement of another Bulk Clearing Settlement Run in respect of any Articles.

for SJET Items

- (i) JETCO shall deliver to the Clearing House instructions to credit or debit net settlement amounts, after excluding all transactions relating to the JETCO Member in default, in respect of the Bulk Clearing Settlement Run in default;
- (ii) following receipt of the new net settlement instructions pursuant to (i) above, HKICL will replace the Settlement Hold made pursuant to paragraph 3 with a new Settlement Hold excluding SJET Items of the JETCO Member in default and will undertake a Bulk Clearing Settlement Run based on such new instructions commencing at a time decided by HKICL on the same day;
- (iii) if for any reason a Bulk Clearing Settlement Run based on such new settlement instructions cannot be undertaken in accordance with (ii) above, JETCO shall merge the SJET Items (excluding all items relating to the JETCO Member in default) into the same Working Day's JETCO Items and provide to HKICL, payment instructions containing the net settlement amounts for both sets of JETCO transactions before the normal presentation time of the JETCO Items on the same Working Day; if a settlement is not successfully undertaken or completed in accordance with (ii) above, the Settlement Holds in respect of that settlement will only be released at the time agreed between HKICL and JETCO.

- 5. (a) In the event that, in the opinion of JETCO, a member of JETCO (not being a Member) is insolvent, JETCO may replace or retract the JETCO settlement file one hour before the commencement of scheduled settlement process for JETCO Items or SJET Items as set out in Part II as varied pursuant to the Rainstorm or Typhoon Procedures.
- (b) In case the settlement file is retracted and replaced prior to one hour before the commencement of the settlement process as aforesaid, the Bulk Clearing Settlement Run will take place using the replacement settlement file in lieu of that retracted.
- (c) In case the JETCO settlement file is retracted and not replaced prior to one hour before the commencement of the settlement process as aforesaid on any Working Day:

for JETCO Items

- (i) JETCO may deliver to the Clearing House a new settlement file one hour before the commencement of the scheduled settlement process in the afternoon for JETCO Items, excluding all transactions relating to the insolvent member of JETCO (not being a Member). Following receipt of the new settlement file, HKICL shall undertake a Bulk Clearing Settlement Run based on the new instructions on same day;
- (ii) in case the JETCO settlement file is not replaced prior to one hour before the commencement of the scheduled settlement process in the afternoon, there will be no Bulk Clearing Settlement Run for JETCO Items on that day; and JETCO Items excluding transactions relating to the insolvent member of JETCO (not being a Member) will be merged into the next Working Day's JETCO Items. JETCO will, in accordance with Schedule III Part I Section E, provide to HKICL a settlement file containing the net settlement amounts for JETCO Items for that Working Day and for the preceding Working Day (excluding transactions relating to the insolvent member of JETCO (not being a Member) in respect of the preceding Working Day).

- (i) SJET Items excluding transactions relating to the insolvent member of JETCO (not

being a Member) will be merged into the same Working Day's JETCO Items. JETCO will, in accordance with Schedule III Part I Section E, provide to HKICL a settlement file containing the net settlement amounts for both sets of SJET Items (excluding transactions relating to the insolvent member of JETCO (not being a Member)) and JETCO Items before the normal presentation time of the JETCO Items;

- (ii) following receipt of the replace or retract settlement file pursuant above, JETCO shall inform HKICL by phone followed by fax and detailing the reason of retraction or replacement of the settlement file.

- 6. Part III of this Schedule does not apply to JETCO Items and SJET Items.

Part V Settlement of Credit Card Items

Separate Bulk Clearing Settlement Runs will be used for each Credit Card Company and for any Credit Card Company appointing more than one Card Agent a separate Bulk Clearing Settlement Run will be used for Credit Card Items generated by each Card Agent of that Credit Card Company. The schedule of the Bulk Clearing Settlement Runs will be in the sequence specified in the Operating Procedures.
2. In the event that any Bulk Clearing Settlement Run of the Credit Card Items cannot be completed by the Final Cut-off time, the outstanding Bulk Clearing Settlement Run will be re-scheduled on the same day at MA's discretion.
3. The Clearing House Computer will place a Settlement Hold on a debit Settlement Amount of a Credit Card Member as from the commencement of the Settlement Process of each Bulk Clearing Settlement Run of Credit Card Items. However, if in respect of a Bulk Clearing Settlement Run all Credit Card Members with debit Settlement Amounts have sufficient funds in their CHATS Ledger Accounts, and if the debit settlement amount of each member of the Credit Card Company does not exceed its pre-set direct debit authorisation limit, the Settlement Amounts will be debited and the relevant credit Settlement Amounts will be credited to all relevant CHATS Ledger Accounts pursuant to Rule 3.1.3 notwithstanding that the Final Cut-off time for the Bulk Clearing Settlement Run concerned has not yet arrived.
4. The principle of "all or none" shall apply to each Bulk Clearing Settlement Run of Credit Card Items.

The details of arrangements are stipulated in the Operating Procedures; or
 - (c) The Bulk Clearing Settlement Run for the Credit Card Company concerned will be cancelled. All settlement obligations related to the unprocessed Credit Card Items will be handled according to the separate arrangements between the Credit Card Company concerned and its members.
 - 5.2 If in respect of a Bulk Clearing Settlement Run a Credit Card Member is in default (i.e. the

Credit Card Member is announced as a Default Member under Schedule I Part I Paragraph II or Clearing Facilities have been suspended or refused to the Credit Card Member under Rule 5.1, 5.2 or 5.3), the following arrangements shall apply:
