- 2.8.6 Each Member and Global User shall have systems in place which are complementary to HKICL's contingency arrangements so as to enable HKICL to ensure the timely recovery of its usual operations in the event of the occurrence of an adverse contingency affecting such operations. Such contingency arrangements shall be modified from time to time in the manner required by HKICL or CB or MA, and HKICL shall notify Members of the changes accordingly and Members shall, after receiving such notice, notify their respective Global Users of the changes accordingly. Members and Global Users shall participate in the contingency drills arranged by HKICL from time to time so as to verify their readiness provided however that:

- (a) a Member which does not access CHATS via the SWIFT network shall not be required to participate in a contingency drill which involves the connection of the Member to the SWIFT network; and

- 2.9.1 Each Member shall comply with the applicable Security and Anti-fraud Requirements as specified by HKICL.
- 2.9.2 Each Member shall submit a self-declaration of compliance with the Security and Anti-fraud Requirements to HKICL when required, and in a form specified, by HKICL; responses from Members may be passed to CB and MA for follow up and record.

- 2.10.1 HKICL will monitor performance by Members of their obligations under these Rules.
- 2.10.2 In the event that HKICL becomes aware of any non performance by any Member of its obligations under these Rules, HKICL shall as soon as practicable inform (i) the Member concerned and require it to ensure performance of the relevant provision; and (ii) CB and MA of such incident.

- 3.1.1 The settlement institution is CB and each Member and CB (in its capacity as a Member) shall open and keep a Settlement Account (including a CHATS Ledger Account and an FPS Ledger Account) with CB (or at the discretion of CB and MA more than one account for each Member) in such manner and upon such terms and conditions as agreed between each Member and CB and MA for the purposes of settlement of payments effected through CHATS.
- 3.1.2 Each Global User shall open and keep an account with one or more Members and agree with each such Member the terms and conditions on which such Member shall permit payments in respect of any CHATS Transactions (but excluding CHATS Transactions in respect of Articles) input by or to such Global User to be cleared and settled through such Member's CHATS Ledger Account.
- 3.1.3 Each Member shall maintain an available balance in its CHATS Ledger Account sufficient to meet in time its and its Global Users' payment obligations as and when due, provided however that this Rule shall not apply to or, to settlement of:

- 3.1.5 Each Member authorises CB to debit or, as the case may be, credit its CHATS Ledger Account and/or the Fiduciary Account for payments by or to such Member or its Global Users which are effected through CHATS in accordance with the provisions of these Clearing House Rules.
- 3.1.6 Each Member authorises CB to debit or, as the case may be, credit its CHATS Ledger Account and its FPS Ledger Account for the purpose of implementing Balance-triggered Balance Sweeping Transactions and Transaction-triggered Balance Sweeping Transactions in accordance with the provisions of these Clearing House Rules and the FPS Rules.

3.2 Settlement Institution and Fiduciary Account

- 3.2.1 A Member may:
- (a) make a payment to the Fiduciary Account from its CHATS Ledger Account by giving a CHATS Payment Instruction Value Today or a CHATS Payment Instruction Value Forward Day for a payment to CB indicating (by use of a clearing code which references the Fiduciary Account) that the payment is to be made to CB for crediting to the Fiduciary Account; or
 - (b) make a payment from the Fiduciary Account to its CHATS Ledger Account by written

request through the SWIFT network or any other channels as agreed between CB and that Member to CB indicating the amount of the payment; on receipt of such request CB shall verify whether it is holding sufficient funds in the Fiduciary Account for the account of that Member and if so it will give a CHATS Payment Instruction Value Today for a payment to that Member indicating (by use of a clearing code which refers to the Fiduciary Account) that the payment is made by CB by debiting the Fiduciary Account and crediting the CHATS Ledger Account of that Member; if there are insufficient funds in the Fiduciary Account for the account of the relevant Member, CB shall inform the relevant Member by message through the SWIFT network or any other channels as agreed between CB and that Member and take no further action.

- 3.2.2 In respect of a CHATS Payment Instruction Value Today made under Rule 3.2.1(a) or (b) or a CHATS Payment Instruction Value Forward Day made under Rule 3.2.1(a), the provisions of these Rules shall apply in the same way as they apply to any other CHATS Payment Instructions Value Today or a CHATS Payment Instruction Value Forward Day save that the account to be credited under Rule 3.2.1(a) will be the Fiduciary Account and the account to be debited under Rule 3.2.1(b) will be the Fiduciary Account.

3.3 Settlement of CHATS Transactions (other than those CHATS Transactions in respect of Articles)

All CHATS Transactions (other than CHATS Transactions in respect of Articles) involving payments or funds transfers shall be settled as provided in Part VI of these Clearing House Rules.

3.4 Settlement of Articles

Settlement of Articles cleared through CHATS shall be effected as provided in Part VII of these Clearing House Rules.

3.5 Settlement Obligations

Part IV Members

4.1 Clearing House Rules and Operating Procedures

These Clearing House Rules and the Operating Procedures are binding on Members. Members shall comply with and observe these Clearing House Rules and all Operating Procedures as amended from time to time and in force.

4.2 Membership

- 4.2.1 Banks, restricted licence banks, deposit-taking companies, overseas banks, Credit Card Subsidiaries of Banks and other institutions that have a CHATS Ledger Account with CB are required to become Members.
- 4.2.2 Institutions may, provided there is no objection by CB and MA and by agreement with one or more Members, become a Global User through such one or more Members.
- 4.2.3 A Member shall give 14 Working Days' prior written notice to CB before the Member allows an institution to become its Global User or before the Member terminates its agreement to allow an institution to be its Global User.
- 4.2.4 If a Global User becomes insolvent, is unable to pay its debts as they fall due or is the subject of a winding up petition or other like process, each Member who permits payments in respect of any CHATS Transaction input by or to a Global User to be settled through such Member's CHATS Ledger Account shall, upon receipt of notice of the occurrence of such circumstances in relation to such Global User, forthwith advise CB thereof and forthwith stop processing or executing any CHATS Transaction in respect of that Global User or crediting or otherwise making any payment in respect of any CHATS Transaction to that Global User. CB shall forthwith notify HKICL and MA and instruct HKICL to cancel the clearing codes of that Global User so that no further CHATS Transactions may be made to or for the account of that Global User.
- 4.2.5 A Global User shall cease to be a Global User if its clearing codes have been cancelled or if the Member(s) through which it clears and settles CHATS Transactions cease to be Member(s) or have Clearing Facilities suspended.
- 4.2.6 Under any circumstances as deemed necessary by CB, CB is entitled to suspend or terminate the participation of a Global User. CB shall notify the Global User and the Member(s) of the Global User concerned and forthwith advise HKICL and MA of the occurrence of such circumstances in relation to such Global User, and instruct HKICL to cancel the clearing code of that Global User.
- 4.2.7 A Member may act as the correspondent bank of a Global User for the purpose of enabling the Global User to:

- 4.2.8 A Global User shall not be a Member and shall have no rights or obligations vis-à-vis other Members, CB or HKICL under these Rules or the Operating Procedures. All rights and obligations in relation to any CHATS Transaction vis-à-vis other Members, CB or HKICL arising out of the giving of CHATS Payment Instructions for the account of a Global User or in relation to the usage of the MBT by Global Users shall be the rights and obligations of the relevant Member through whom the Global User clears and settles its CHATS Transactions.
- 4.2.9 All CHATS Transactions (other than CHATS Transactions in respect of Articles) effected by or

in favour of a Member for the account of a Global User shall be settled by the crediting or debiting of the CHATS Ledger Account of the relevant Member and shall be construed for the purposes of these Clearing House Rules as receipts or payments of the relevant Member.

4.3 Withdrawal

A Member may withdraw from membership of the Clearing House by giving 60 days' prior written notice to CB and HKICL and by paying the accrued fees and other payments, if any, due by it to HKICL in relation to the Clearing House and the Clearing Facilities up to the date of withdrawal. A Member may not terminate its CHATS Ledger Account while it continues to be a Member or during the running of any notice given under the preceding sentence of this Rule. Any such withdrawal shall be without prejudice to any liability accrued up to and including the date of withdrawal.

4.4 Clearing Codes

4.4.1 Clearing codes which are used to identify each Member, each Global User, HKSCC, OTC Clear (collectively referred to as "entities") (one per entity or at the discretion of HKICL more than one per entity), one for CB in its capacity as clearing bank and one for each GD Settlement Centre and branch codes which are used in conjunction with each entity's clearing code or one of its clearing codes to identify each of an entity's branches, are allocated by HKICL to be used by the entities and CB for the purposes of the services provided by the Clearing House. No entity may use a clearing code which is allocated to another entity or the clearing code of CB and CB will not use the clearing code allocated to another entity. Common branch codes may be allocated to different entities, and no entity may use a branch code except in conjunction with its clearing code or one of its clearing codes. All such rights as may subsist in the clearing and branch codes are owned by HKICL and such codes may be used by it for all purposes connected with or incidental to its businesses.

4.4.2 A CHATS Transaction (but excluding CHATS Transactions in respect of Articles) effected by or in favour of a Member for the account of a Global User shall only be made if the Global User has a valid and subsisting clearing code for the account of that Member.

4.4.3 The clearing code of a Global User shall be cancelled by HKICL in the event that:

4.4.3.1 the Global User is in default and CB instructs HKICL to cancel the clearing code of the Global User;

4.4.3.2 the Clearing Facilities of the Member (if there is only one) or all of Members (if there is more than one) with whom the Global User has agreed that its CHATS Transactions (but excluding CHATS Transactions in respect of Articles) will be settled through the relevant Member's or Members' CHATS Ledger Account(s) have been suspended.

4.4.3.3 CB instructs HKICL to cancel the clearing code of the Global User under any circumstances stipulated in Rule 4.2.6.

4.4.4 HKICL shall as soon as practicable inform all Members of the cancellation of any clearing code of a Global User.

4.4.5 Each CHATS Transaction initiated by a Global User or by a Member to a Global User shall:

4.4.5.1 be delivered by the Global User or the Member directly to HKICL;

4.4.5.2 identify the Member for whose account the CHATS Transaction is made and whose CHATS Ledger Account is to be debited or credited according to requirements stipulated in these Rules and the Operating Procedures;

4.4.5.3 identify the Member which is the counterparty to that CHATS Transaction according to requirements stipulated in these Rules and the Operating Procedures;

- 4.4.5.4 (if a counterparty to a CHATS Transaction is also a Global User) identify that Global User and the Member through whom the Global User is to clear and settle the relevant CHATS Transaction according to requirements stipulated in these Rules and the Operating Procedures.

4.5 Outsourcing by Members

Members may outsource any of their systems required for the purpose of participation in the Clearing House. In so doing Members shall exercise reasonable skill and care in choosing the outsourcing party. Each of CB and HKICL is authorised to deal with any such outsourcing party notified to it as being authorised to act on such Member's behalf provided that the Member shall be responsible for all acts, omissions, neglects or defaults of its outsourcing party and such Member appointing an outsourcing party will indemnify and hold each of CB and HKICL harmless against all actions, proceedings, costs, claims, demands, liabilities, losses and expenses whatsoever and howsoever arising out of or incurred by CB or HKICL as a result of the acts, omissions, neglects or defaults of its outsourcing party or arising out of or incurred by CB or HKICL by virtue of any dealings by CB or HKICL with an outsourcing party of a Member which it would not have incurred if CB or HKICL had dealt with that Member directly. This rule shall not apply to the production of images of Paper Cheques by HKICL for Group B Members in accordance with the Operating Procedures.

4.6 Migration

- (a) A Member or CB which at any time is a Group A Member may, with the consent of HKICL and subject to such notice period as HKICL requires, change its status to a Group B Member.
- (b) A Member or CB which at any time is a Group B Member may, on giving 12 months' notice to HKICL, change its status to a Group A Member.

4.7 Intra Member Payments

For the avoidance of doubt, it is declared that (a) a Sender may make funds transfers to itself as Receiver in respect of CHATS Transactions (including transfers effected pursuant to CHATS Payment Instructions, CCASS Payment Instructions, CCP Instructions, CCPMPNet Payment Instructions, CCASS Optimiser Payment Instructions, SCCASS Optimiser Payment Instructions, CHATS Optimiser Payment Instructions, CCPO Instructions, CCPMPNet Optimiser Payment Instructions and GTRS Payment Instructions); and (b) OTC Clear may initiate OTC Clear Debit Requests to the Clearing House Computer for generation of OTC Clear Payment Instructions to make funds transfers from the paying Member referred to in Rule 6.3.14.3(a) to the bank Member designated by OTC Clear being the same as the paying Member.

Part V Refusal/Suspension of Clearing Facilities

- 5.1 Clearing Facilities provided to a Member shall be suspended in accordance with the provisions of the Default Arrangement.
- 5.2 Part or all of the Clearing Facilities shall be refused forthwith by HKICL to a Member or any group of Members or all Members if HKICL receives notice in writing from CB (after CB has consulted with MA) that Clearing Facilities are to be so refused.
- 5.3 Part or all of the Clearing Facilities provided to a Member or any group of Members or all Members shall be suspended forthwith by HKICL:
- (a) upon receipt by HKICL of a notice in writing from CB (with the prior consent of MA) that Clearing Facilities to such Member(s) have been suspended by CB (with the prior consent of MA) for such period as shall be stipulated in such notice; or
 - (b) if the Member becomes insolvent.
- 5.4 In a case to which Rule 5.1, 5.2 or 5.3 applies, Clearing Facilities shall only be restored to the Member or Members in question or all such Members upon receipt by HKICL of a notice in writing to such effect from CB (with the prior consent of MA).
- 5.5 For the avoidance of doubt, these Rules are subject to the provisions of section 89 of the FIRO. Accordingly nothing in this Rule 5 shall be construed to require or entitle HKICL (or CB or MA) to suspend Clearing Facilities to a Member or to trigger any default event provision under these Rules in relation to a Member by reason solely of:
- (a) the taking of any crisis prevention measure in relation to the Member or a group company of the Member;
 - (b) the occurrence of an event directly linked to the taking of any crisis prevention measure referred to in paragraph (a) of this Rule 5.5; or
 - (c) the occurrence of any other event that does not of itself trigger a default event provision under these Rules in relation to the Member pursuant to section 89 of the FIRO,
- provided the substantive obligations (including payment and delivery obligations) applicable to the Member under these Rules continue to be performed.
- 5.6 If any Member's use of Clearing Facilities has been refused or suspended, HKICL shall, as soon as practicable thereafter, notify all other Members and CB by a broadcast in the manner provided in the Operating Procedures (or in the case of a Member which does not access CHATS via SWIFT network and does not install a terminal which can access the MBT in a manner agreed in writing between HKICL and the Member concerned), and shall notify HKSCC, OTC Clear and the relevant GD Settlement Centre in a manner separately agreed with them and thereafter all other Members, HKSCC, OTC Clear, the relevant GD Settlement Centre and CB shall not deliver to HKICL any Articles payable by or to, or initiate any other CHATS Transactions involving, the Member for which Clearing Facilities are refused or suspended while such refusal or suspension shall continue in effect.
- 5.7 For the avoidance of doubt, if any Member's use of Clearing Facilities has been refused or suspended in accordance with Rule 5.1, 5.2 or 5.3, the e-Cheque Presentment Service being part of the Clearing Facilities is entitled to not accept any e-Cheques drawn on or payable into an account operated by the Member for which Clearing Facilities are refused or suspended while such refusal or suspension shall continue in effect.
- 5.8 If it appears that part or all of the Clearing Facilities are inoperable, HKICL may at any time after consultation with CB and MA, declare by notice in writing to all Members, HKSCC, OTC Clear and the relevant GD Settlement Centre in respect of clearing and settlement of e-Cheques that all or part of the

Clearing Facilities will be suspended for the Working Day on which the notice is given and shall provide information as to which (if any) of the Clearing Facilities will be available. Any such notice from HKICL in relation to the inoperability of an e-Cheque Presentment Service may be published on any website, mobile application or on any other system on which an e-Cheque Presentment Service is made available.

- 5.9 At the end of each Non-Clearing Day, HKICL will consult with CB and MA with a view to determining whether and the extent to which Clearing Facilities will be resumed for the following Working Day. After such consultation HKICL will give notice in writing to all Members, HKSCC, OTC Clear and the relevant GD Settlement Centre in respect of clearing and settlement of e-Cheques as to which of the Clearing Facilities will be available on the next Working Day. Any such notice from HKICL in relation to the resumption of an e-Cheque Presentment Service may be published on any website, mobile application or on any other system on which an e-Cheque Presentment Service is made available.
- 5.10 At any time during a Non-Clearing Day, HKICL may at any time after consultation with CB and MA declare by notice in writing to all Members, HKSCC, OTC Clear and the relevant GD Settlement Centre in respect of clearing and settlement of e-Cheques that part or all of the Clearing Facilities which have been suspended on that Non-Clearing Day shall resume normal operation. Any such notice from HKICL in relation to the resumption of an e-Cheque Presentment Service may be published on any website, mobile application or on any other system on which an e-Cheque Presentment Service is made available.
- 5.11 During a Non-Clearing Day, the Clearing Facilities that are operable shall be operated in accordance with the Operating Procedures and any other circulars issued by HKICL dealing with the operation of the Clearing Facilities during periods of suspension.
- 5.12 The resumption of normal operation of the Clearing Facilities shall be in accordance with the Operating Procedures.
- 5.13 If for any reason CB suspends operations as the settlement institution, CB shall inform MA and HKICL in writing immediately. Upon giving prior notice in writing to MA, HKICL shall as soon as practicable notify all Members by a broadcast in the manner provided in the Operating Procedures (or in the case of a Member which does not access CHATS via SWIFT network and does not install a terminal which can access the MBT in a manner agreed in writing between HKICL and the Member concerned) and notify in writing HKSCC, OTC Clear and the relevant GD Settlement Centre in respect of clearing and settlement of e-Cheques. For so long as such suspension continues, no settlement of any payments shall take place under these Clearing House Rules. Outstanding CHATS Payment Instructions, OTC Clear Payment Instructions and Direct Debit Instructions shall be queued and cancelled at CHATS Value Date Cut-off and End of Day Cut-Off respectively. Members and Global Users may perform the MBT functions as usual. In either case, no payment shall be settled.
- 5.14 Neither MA nor CB nor HKICL shall owe any duty or incur any liability to any Member, any Global User, any correspondent bank of a Service Provider, any customer of a Member or a Global User, any e-Cheque Drop Box User, or any other person whatsoever (each a **"Relevant Person"**) by the giving of any notice or advice pursuant to or purporting to be given pursuant to this Rule 5 and/or the Default Arrangement and/or Part IV of Schedule III or by the failure to give or any delay in giving any such notice or advice. HKICL shall incur no liability to any Relevant Person for the consequences of acting on the Default Arrangement, these Clearing House Rules or the Operating Procedures or any such notice or advice given or purportedly given to any Relevant Person pursuant to this Rule 5 and/or Part IV of Schedule III. Each Member hereby agrees to indemnify and hold each of MA, CB and HKICL harmless against all actions, proceedings, costs, claims, demands, liabilities, losses and expenses whatsoever and howsoever arising out of or in connection with any of the matters referred to in this Rule, or incurred by either MA, CB or HKICL to any Relevant Person in its capacity as such.

Payment instructions effected through CHATS and their related requests shall be in designated SWIFT format as stipulated in the Operating Procedures. This provision shall not be applicable to the restricted licence banks, deposit-taking companies and overseas banks which do not access CHATS via the SWIFT network. - 6.1.6 The provisions of this part relating to CHATS Transactions effected by way of Special Posting shall be subject to the provisions of Rule 6.11.

6.2 MBT and SWIFT network

- 6.2.1 Each Member (other than restricted licence bank, deposit-taking company and overseas bank) and CB connecting its terminal to the Clearing House Computer through the eMBT (via the SWIFT network) is required to also be able to connect to the Clearing House Computer through the iMBT (via the HKICL network and/or internet, as a contingency in case it is unable to connect to the eMBT through the SWIFT network).
- 6.2.2 Each Member, Global User (which elects to install a terminal which can access the MBT) and CB shall at its own cost install and maintain in good order a terminal which can access the MBT as prescribed or approved by HKICL from time to time. Use of the terminal which can access the MBT shall be restricted to that Member's, Global User's or CB's authorised personnel who use passwords or other systems to ensure only authorised personnel of that Member, that Global User or CB may access the MBT. HKICL is authorised to rely and act on instructions using such passwords or systems. Members, Global Users and CB shall be liable for all consequences of misuse of such passwords or other systems. Each Member shall ensure that each of its Global Users is aware of its own liability and complies with this Rule in accordance with Rule 6.7.11.
- 6.2.3 Each Member, Global User (which elects to install a terminal which can access the MBT) and

CB must connect its terminal to the MBT in order to connect to the Clearing House Computer. A terminal must be a computer or intelligent terminal device (i) which (in the case of the eMBT) is installed with software provided by SWIFT and which can access the eMBT in order to connect to the Clearing House Computer via the SWIFT network, or (ii) which (in the case of the iMBT) can access the iMBT in order to connect to the Clearing House Computer via the HKICL network (for Members or CB) and/or internet (for Members, Global Users or CB), as the case may be. The connection must undergo formal verification and connection tests with final approval being at the discretion of HKICL. All telecommunications charges or charges levied by SWIFT relating to the connection shall be borne by the relevant Member, Global User or CB.

- 6.2.4 Each Member and CB shall strictly observe and comply with the guidelines as stipulated in the relevant Operating Procedures relating to its access or use of the MBT and/or the operation of the Clearing Facilities by it. Each Member shall ensure that each of its Global Users (which elects to install a terminal which can access the MBT) strictly observes and complies with the guidelines as stipulated in the relevant Operating Procedures relating to its access or use of the MBT and/or the operation of the Clearing Facilities.
- 6.2.5 Requests for enhancement of or changes to the MBT functions provided by HKICL by Members shall be submitted by that Member to HKICL for transmission to CB to decide whether they should be implemented, subject in each case to prior consultation with MA.
- 6.2.6 Restricted licence banks, deposit-taking companies and overseas banks may elect not to access CHATS via the SWIFT network in which event:
- (a) all CHATS Payment Instructions, CCASS Payment Instructions and CCP Instructions intended to be made by those Members to other Members or (in respect of CHATS Payment Instructions only) to the Fiduciary Account shall be communicated by those Members to CB in a manner agreed in writing between the Members concerned and CB;
 - (b) CB shall process those CHATS Payment Instructions, CCASS Payment Instructions or CCP Instructions by virtue of the making of a Direct Debit Instruction and Direct Credit Instruction (or a Direct Debit Instruction if the Receiver is CB) in accordance with Rules 6.3.9 to 6.3.12 in the CHATS Ledger Accounts of the relevant restricted licence bank, deposit-taking company or overseas bank and Receiver or (in respect of CHATS Payment Instructions only) the Fiduciary Account provided that in each case the restricted licence bank, deposit-taking company or overseas bank has an available balance sufficient to meet such payment instruction when it is first in the Normal Queue;
 - (c) subject to Rule 6.12.8, restricted licence banks, deposit-taking companies and overseas banks may give instructions to CB to cancel or re-sequence Direct Debit Instructions made by CB on behalf of those Members in a manner agreed in writing between such Members concerned and CB;
 - (d) CB shall provide reports to such Members regarding CHATS Payment Instructions, CCASS Payment Instructions and CCP Instructions of the type and in a manner agreed in writing between the Members concerned and CB; and
 - (e) all communications between CB and the relevant restricted licence bank, deposit-taking company, overseas bank or Receiver shall be made in a manner agreed in writing between the Members concerned and CB.
- 6.2.7 Restricted licence banks, deposit-taking companies and overseas banks which do not access CHATS via the SWIFT network but elect to install a terminal which can access the MBT may perform the functions as stipulated in the Operating Procedures relevant to access via the MBT, except that they may not:

- (a) view details of incoming funds (other than those details in respect of Articles) awaiting for settlement via an enquiry function;
- (b) cancel or re-sequence payment instructions in the Normal Queue;
- (c) cancel payment instruction in the Pending Queue; and
- (d) transfer payment instruction from the Normal Queue to the Pending Queue or vice versa.

6.2.8 All software, data, specifications and similar intellectual property comprised within the MBT are owned by, or licensed to, HKICL and may not be copied, downloaded, distributed or published in any way without the prior written consent of HKICL. Members, Global Users and CB may utilise such proprietary information of HKICL solely for the purposes of performing administrative functions relating to CHATS Transactions (other than initiating/receiving payment instructions) or submitting instructions relating to Special Posting transactions as stipulated in the Operating Procedures, and in accordance with the Clearing House Rules.

6.2.9 HKICL provides access to the MBT on an “as is” basis, and save as provided in these Rules, makes no representation as to, and does not warrant, the accuracy or completeness of the MBT or data derived from its use (including for the avoidance of doubt accuracy or completeness of any information in any fraud detection or other tools provided by HKICL to Members via the MBT separate from the clearing and settlement functions provided by HKICL pursuant to these Rules). HKICL gives no warranties, express, implied or statutory, of any kind, including without limitation as to the merchantability, fitness for a particular purpose, title, non-infringement of their party rights or freedom from viruses, worms, trojan horses or other contaminating programming or code relating to the use of the MBT, except to the extent the same cannot be excluded or limited at law or as otherwise given in these Rules.

6.2.10 To the fullest extent permitted by law (and subject only to the provisions of Rule 2.3 of the Clearing House Rules), HKICL shall not be liable for, and expressly excludes any such liability for, any direct, indirect, consequential, special or incidental damage, loss or expense, whether caused by negligence or otherwise, which arises directly or indirectly as a consequence of the use of (or inability to use) the MBT, whether or not HKICL has been notified of the possibility of such damage, loss or expense.

6.11.3.2 Settlement of Special Posting transactions will be effected across the books of CB pursuant to Rule 3.1.4 by debiting the CHATS Ledger Account of the Sender (or in relation to an OTC Clear Payment Instruction, the paying Member of the OTC Clear Payment Instruction) or (in respect of a CHATS Payment Instruction Value Today only) the Fiduciary Account for the payment and crediting the same to the CHATS Ledger Account of the respective Receivers (or in relation to an OTC Clear Payment Instruction, the bank Member designated by OTC Clear in accordance with the Operating Procedures in relation to the settlement of OTC Clear Payment Instructions) or the Fiduciary Account.

6.12.3 If the projected balances of each Selected Payment Members are found positive or zero, the gross amount of the Selected Payments, save in respect of the CCP Instructions being extracted as Selected Payments, will each be effected through CHATS automatically and settled immediately upon completion of its processing and effected across the books of CB pursuant to Rule 3.1.4 by debiting and crediting the CHATS Ledger Accounts for the funds transferred.

The CCP Instructions being extracted as Selected Payments will be processed pursuant to Rules 6.3.4.3 and 6.3.4.5.

- 6.12.4 In case the projected balances of the CHATS Ledger Account for some Selected Payment Members are negative, the system will try to exclude the Selected Payments of such Selected Payment Members based on the criteria as specified in the Operating Procedures in order to reach positive or zero projected balances of each of the Selected Payment Members. Selected Payments which are excluded from the RTGS Liquidity Optimiser will be placed back to the Normal Queue.
- 6.12.5 CHATS Transactions (other than CHATS Transactions in respect of Articles) received by Clearing House Computer after commencement of the RTGS Liquidity Optimiser process will not be processed as part of that process and will be placed at the end of the Normal Queue and processed in due course in accordance with these Rules provided that Direct Debit Instructions will be placed at the top of the Normal Queue.
- 6.12.6 Under any of the following situations, the process of RTGS Liquidity Optimiser will be terminated:
- (a) all Selected Payments are excluded in the process of Rule 6.12.4;

- 6.13.1 Liquidity Providers shall indicate their willingness to participate in the IILF by registering with HKICL. Liquidity Providers shall also on behalf of the Liquidity Consumers with whom they have agreed to provide liquidity through IILF register those Liquidity Consumers with HKICL indicating their Liquidity Consumers' desire to obtain liquidity from the Liquidity Providers under the IILF. Liquidity Consumers may only obtain liquidity through IILF from one Liquidity Provider and:
- (a) prior to registration Liquidity Providers and Liquidity Consumers shall separately agree among themselves on a bilateral basis the terms on which liquidity through IILF is

provided including the intra-day and overnight interest rates;

- (b) after registration, the relevant Liquidity Provider shall maintain in the records of HKICL via the MBT:
 - (i) the limit of the IILF for the time being assigned by it to each Liquidity Consumer, which limit may be amended by the Liquidity Provider via the MBT at any time without prior notice to HKICL or the Liquidity Consumer;

- (c) HKICL shall publicise on the members' section of its website the names and contact details of registered Liquidity Providers.

6.13.3 If a Liquidity Provider is a Selected Payment Member in the RTGS Liquidity Optimiser process, the provision of liquidity through IILF by such Liquidity Provider will not be triggered in that process.

6.13.4 If a Liquidity Provider is not a Selected Payment Member in the RTGS Liquidity Optimiser process and a Liquidity Consumer to which the Liquidity Provider has agreed to provide liquidity through IILF is a Selected Payment Member in the RTGS Liquidity Optimiser process, the projected balance as stipulated in Rule 6.12.2 shall take into account the available IILF limit specified in Rule 6.13.1(b)(i) to the extent required to make the projected balance of the Liquidity Consumer positive or zero. Should the IILF be taken into account to the extent required to make the projected balance of a Liquidity Consumer positive or zero as provided in the previous sentence, there shall be a deemed request for the provision of liquidity through IILF by the Liquidity Consumer in that amount from the Liquidity Provider to the Liquidity Consumer. The ultimate liquidity drawn by Liquidity Consumer out of the available IILF limit and the detailed arrangements are stipulated in the Operating Procedures.

6.13.5 If more than one Liquidity Consumer are deemed to make a request pursuant to Rule 6.13.4 from the same Liquidity Provider, and such Liquidity Provider does not have sufficient funds to fulfil the requests of all such Liquidity Consumers, the available amounts under the IILF from that Liquidity Provider will be allocated to each Liquidity Consumer according to the priority specified by the Liquidity Provider in Rule 6.13.1(b)(ii).

6.13.6 The lending under the IILF is effected through the settlement of a CHATS Payment Instruction Value Today with a designated payment code indicating that it is a payment of principal under the IILF ("IILF Payment Instruction") generated by HKICL to debit the Liquidity Provider's CHATS Ledger Account and credit the Liquidity Consumer's CHATS Ledger Account.

6.13.7 Liquidity provision through IILF by a Liquidity Provider to one or more of its Liquidity Consumers may also be triggered manually by such Liquidity Provider inputting an IILF Payment Instruction.

6.13.8 For each settled IILF Payment Instruction, the Liquidity Consumer shall be under an obligation to repay the Liquidity Provider the amount of the IILF Payment Instruction (i.e. principal) and an intra-day interest calculated based on the IILF Payment Instruction. The intra-day interest rate is assigned by the Liquidity Provider to each of its Liquidity Consumer(s) by separate agreement and maintained by the Liquidity Provider in the records of HKICL via the MBT under Rule 6.13.1(b)(iii).

- 6.13.9 The total outstanding IILF repayable amount of a Liquidity Consumer in respect of each Working Day includes:
- (a) the amount of all settled IILF Payment Instruction(s) of the current day not yet repaid by the Liquidity Consumer; and
 - (b) intra-day interest of the current day not yet paid by the Liquidity Consumer for which the calculation of such interest is stipulated in the Operating Procedures.
- 6.13.10 If there is any outstanding IILF repayable amount of a Liquidity Consumer as defined in Rule 6.13.9, the repayment process for the Liquidity Consumer will be triggered automatically by HKICL according to the scheduled repayment time on each Working Day determined by CB and subject to change from time to time. CHATS Payment Instructions Value Today with different designated payment codes indicating they are either repayments of outstanding IILF Payment Instructions or payments of outstanding intra-day interest under the IILF (collectively known as “IILF Repayment Instructions”) will be generated by HKICL to debit the Liquidity Consumer’s CHATS Ledger Account and credit the Liquidity Provider’s CHATS Ledger Account to repay outstanding (i) IILF Payment Instruction (i.e. principal); and (ii) intra-day interest separately.
- 6.13.11 An IILF Repayment Instruction may also be triggered manually by a Liquidity Consumer to its Liquidity Provider by the Liquidity Consumer inputting such an instruction.
- 6.13.12 If the Liquidity Consumer has insufficient funds to meet the total outstanding IILF repayable amount, the IILF Repayment Instructions will still be generated by HKICL to partially repay the outstanding IILF repayable amount. The detailed arrangements are stipulated in the Operating Procedures.
- 6.13.13 If there is any outstanding IILF Payment Instruction of Liquidity Consumer after CHATS Value Date Cut-off, an overnight interest assigned by the Liquidity Provider to the Liquidity Consumer and maintained by the Liquidity Provider in the records of HKICL via the MBT under Rule 6.13.1(b)(iii) shall apply. HKICL shall then calculate the overnight interest according to the formula stipulated in the Operating Procedures and provide such information to the Liquidity Provider and Liquidity Consumer. However, the overnight interest, together with the outstanding IILF repayable amount, shall be settled outside of the CHATS after CHATS Value Date Cut-off between the Liquidity Provider and Liquidity Consumer, and CB and HKICL shall have no further involvement.

6.14 Account Balance Sweeping Facility between CHATS and FPS

- 6.14.1 Rule 6.14 is only applicable to Members that are also Settlement Participants (as defined in the FPS Rules).
- 6.14.2 The account balance sweeping facility shall be made available on a Working Day and Operating Saturdays and Sundays within the timeframe stipulated in the FPS Operating Procedures for the transfer of funds between a CHATS Ledger Account of a Member and its FPS Ledger Account.

6.14.9 [This provision has been left blank intentionally]

6.14.10 [This provision has been left blank intentionally]

6.14.11 [This provision has been left blank intentionally]

6.14.12 MA, HKICL and CB shall not be liable for any claim, loss, damage or expense of any kind or nature whatsoever arising in whatever manner directly or indirectly out of or in connection with any transaction settlement delay or failure in CHATS and/or FPS due to insufficient funds with or without account balance sweeping facility applied.

2. Rules for Settlement of Transactions through the Clearing House in Hong Kong

2.1 In the event of a “black” rainstorm warning being issued during the day the Clearing House will continue to function normally: deadlines may be subject to variation and in such case, HKICL shall broadcast by the MBT to Members (and also by SWIFT to a Member who has requested that administrative messages should also be sent to it by SWIFT) administrative messages(s)/email(s) with progressive serial number(s), and advise OTC Clear a processing schedule or schedules as soon as practicable after the issuance of the “black” rainstorm warning and such processing schedule(s) so broadcasted shall be binding on Members.

2.2 It is possible that an entire day’s business may be lost due to a “black” rainstorm signal being hoisted prior to commencement of working hours: in these circumstances, Typhoon Procedures for the time being in force as amended from time to time will apply and such a day shall be deemed not to be a “Working Day” as defined in the Typhoon Procedures for CHATS Transactions in respect of Articles except Autocredits, CLG Items, e-Cheques, CCASS Participant Items, SCCASS Participant Items, SCASSN Participant Items and OTC Items. For the avoidance of doubt, such a day will be deemed as a Working Day for other CHATS Transactions. When “black” rainstorm signal is hoisted, the initial queue mode of OTC Clear Payment Instruction shall be determined by the default queue mode in adverse weather/holiday as indicated by the paying Member in accordance with the Operating Procedures.

However, if a “black” rainstorm signal necessitates a delayed start to the day, the settlement procedures and arrangements applicable to the situation where Typhoon signal no. 8 is lowered and Extreme Conditions are cancelled during a Working Day in the Typhoon Procedures will apply.
